

AWARDED WITH BLUE FLAG FOR THE 20TH CONSECUTIVE TIME

Mythos Palace Resort & Spa Celebrates 20th Consecutive Blue Flag Award

Mythos Palace Resort & Spa is proud to announce that it has been awarded the prestigious **Blue Flag** for the **20th consecutive year**. This internationally recognized eco-label is awarded to beaches and marinas that meet stringent environmental, educational, safety, and accessibility criteria.

The Blue Flag award, administered by the Foundation for Environmental Education (FEE), is a symbol of excellence and a testament to the resort's unwavering commitment to maintaining the highest standards of environmental management and sustainability. The accolade reflects Mythos Palace Resort & Spa's continuous efforts to protect and enhance the natural beauty of its coastal environment, ensuring a clean, safe, and enjoyable experience for all its guests.

Mythos Palace Resort & Spa remains dedicated to its mission of providing exceptional service while fostering a deep **respect for the environment**. As the resort looks to the future, it will continue to implement innovative practices to enhance its sustainability efforts and preserve the natural beauty of its location for generations to come.
